Rental car companies and cooperatives	13	30
Motorbike companies and cooperatives	147	147
Transport of goods companies and cooperatives	35	25
Individual transporters of Goods	2,085	3,287
Driving Schools	71	81

Source: RURA database

During the period under review, the sector has been restructured and it is observed a changes in the sector, spearheaded by the changes in the regulation which tightened the licensing process and called upon those who used to operate without licenses especially in the transportation of goods to comply. Due to the restructuring of the sector, the number of licensed operators has been increased.

Table 2: Licensed companies in the transportation of persons as of June 2016
