

## **PUBLIC ANNOUNCEMENT**

Following consultations with relevant stakeholders led by the Prime Minister, RURA wishes to announce that implementation of the 2020 public transport tariff revision announced on 14 October 2020 has been suspended in order to monitor the pace of economic recovery from the Covid-19 pandemic.

In the interim, the Government of Rwanda will subsidize the cost of public transport to account for the economic effects of the pandemic on passengers.

**The following tariffs will take effect on Friday, 23 October 2020**

- 1. City of Kigali: 22rwf/Km**
- 2. In the rest of the country: 21rwf/Km**

We thank for your understanding and cooperation.
