

NOTICE N°RURA/ICT SRMM/2019-.....

Title: Consultation for the Regulations governing spectrum management and the Guidelines on the use of short range devices

Rwanda Utilities Regulatory Authority (RURA) is responsible for the management of radio spectrum as provided by law n° 09/2013 of 01/03/2013 establishing Rwanda utilities regulatory authority (RURA) and determining its mission, powers, organisation and functioning

It is in that regard that the regulations governing the management of radio spectrum and the guidelines on the use of short range devices have been developed in accordance with the Law No. 24/2016 of 18/06/2016 governing Information and Communication Technology.

Therefore, the Rwanda Utilities Regulatory Authority is calling upon all the spectrum users and the whole public to read through the two documents on the following links and give their comments for incorporation to dativa.kabasinga@rura.rw and Jean.mugambwa@rura.rw respectively not later than June 15, 2019.

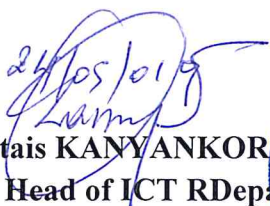

The Regulations governing the management of radio spectrum can be found on:
